60x10 mm

PLIVERDI 1000 VERDE / NERO / BIANCO FDA Rivestimenti per redler Lastre, listelli e profili a disegno

- Altissimo peso molecolare
- Antiabrasivo ad alta densità
- Per insonorizzare il vostro redler
- Per guidare la catena
- Per ridurre l'attrito
- Alta resistenza agli aggressivi chimici
- Elevate proprietà meccaniche

POLIVERDI 1000 GREEN / BLACK / WHITE FDA Redler covering Sheet, strips and profiles to drawing

- High molecular weight
- Antiabrasive High density
- To avoid noise in your redler
- To guide the chain
- To reduce friction
- High resistance to aggressive chemical agents
- High mechanical properties
